save the date

At **itsmyseat.com**, we take event reservations to the next level giving organizers control and creativity never before available with online ticket sales.

If you are organizing an event in the Southern California area, we will provide on-site support at the day of your event to make sure no detail is over-looked and help you achieve the professional and successful event that you deserve.

Plan and manage your events, sell tickets, improve cash flow, arrange seats - all online. All this with 24/7 reporting at your fingertips.

itsmyseat.com

your tickets / your advantage

and relax

We're committed to making your event a success

At **itsmyseat.com**, we believe organizing a successful and unforgettable event is about strong partnership and trust.

Since 2006, we have provided our clients with the right event planning tools to make their lives easy. Our proven track record has given us a 100% retention rate from our satisfied partners who keep coming back to us year after year.

Our experience also shows that organizers are looking for more than an automated ticketing service.

Our ability to provide dependable on-site support on the day of your event sets us apart from the competition in Southern California.

about us

dependability / proven track record / experience / personal touch / the right tools / one stop shop / commitment to success / interactive seating maps

on-site support in southern california

there's more

In addition to our main features, we offer:

On-site event box office services	Need box office management support on the day of your event? We can provide staff and equipment to help your event's box office setup in managing door sales for either cash or credit card, scanning of tickets, wireless internet connection, credit card sales, and various other box office related services such as will-call lists and reprinting of forgotten eTickets.
Event posting on websites	We will work with you and post the marketing announcements of your event on various event posting sites in the most effective methods in order to produce best results.
Press releases	We are able to provide fresh press release writing services, and also work with you in posting your PR on various release websites.
Graphic design	We have a team of talented graphic designers that can custom design posters for your event.
Social media	We can work with you closely in publishing your event on Facebook and other social media sites, using the most effective keyword and pay-per-click/impression marketing strategies. Embed your social media into your event- link your event to your twitter feed or blog page. Use Google Analytics to monitor incoming traffic trends of your event.
Event consulting + planning services	For large events, we are able to provide various planning and consulting services through our various industry partnerships. These services may include event consulting advice, marketing preparation, event theme design, commercial (digital or print) design, postcard campaign strategies and staffing needs.
